

CSERC 2012 WORKSHOP SCHEDULE

“Visualization in University Level Computer Science Education”

September 10, 2012 – Room B4 446

14:30 – 14:40

Workshop Opening & Introduction

14:40 – 14:55

Visual Design for Mobile Learning (Els Rogier, Gerrit C. van der Veer)

14:55 – 15:10

Visual and Interactive Prototypes in Teaching Interactive Systems Design (Marcin Sikorski)

15:10 – 15:25

A Two-Perspective Visualization Approach for Utilizing Visualization Power in Computer Science (Raghd Tarawneh)

15:25 – 15:40

Moving from Visualization for Teaching to Visualization for Learning (Matthias Hauswirth)

15:40 – 15:55

Electronic Learning Environments - Worlds behind a Screen (Teresa Consiglio, Gerrit C. van der Veer)

15:55 – 16:10

Concluding discussion
