Abstract. This document provides the formatting requirements for the INTERACT 2015 Adjunct Proceedings Format to be published at the University of Bamberg Press. Please review this document and follow the styles described in the Typeset Text section below.

1 Typeset Text

Please use the following styles:

- Title: for the main title of your paper, max. 2 lines, in Helvetica 24-point, single line spacing, centred
- Authors: for the First Names, optional Middle initials, and Last Names of the authors, max. 2 lines, in Times 14-point, single line spacing, centred, 12 points line before
- Affiliation: for authors' affiliations, max. 2 lines, in Times 13-point, 15 points line spacing, centred
- Address: for authors' affiliations, max. 2 lines, in Times 13-point, 15 points line spacing, centred
- Email: for authors' email addresses max. 1 line, in mono-spaced font (e.g., Courier) 13-point, 15 points line spacing, centred
- Abstract: for a short summary of the paper, max. 150 words, in Helvetica 11-point, 13 points line spacing, justified, 12 points lines before and after
- Heading – first level: for headings of major sections, max. 2 lines, in Helvetica 17-point, single line spacing, centred, 24 points lines before and 12 points after
- Heading – second level: for headings of second level sections (e.g., 1.1), max. 2 lines, in Helvetica 15-point, single line spacing, centred, 18 points line before and 9 points after
- Heading – third level: for headings of second level sections (e.g., 1.1.1), max. 2 lines, in Helvetica 13-point, single line spacing, centred, 12 points line before and 6 points after

- Body text begin: for the first paragraph of each section, in Times 13-point, 17 points line spacing, justified
- Body text: for all following paragraphs of each section, in Times 13-point, 17 points line spacing, justified, 0.5 cm first line indentation
- Figure: for images in grey scale (usually 300 dpi), 18 points line before, centred (please keep the figure and its caption together on one page)
- Caption: for short description of figure, Times 11-point, 13 points line spacing, 12 points line before and 12 points after (please keep the figure and its caption together on one page)
- Bullet: for all items of bullet lists, in Times 13-point, 17 points line spacing, justified, 0.5 cm first line indentation 0.5 cm hanging
- Acknowledgements: for personal thanks, in Times 11-point, 13 points line spacing, 2 points line before and 2 points after, justified
- References: for all items of the reference list, sorted by author names and years, numbered with numbers in brackets, in Times 13-point, single line spacing, justified, 0.81 cm hanging
- Footnote Text: for optional short comments at the end of the page, numbered, in Times 11-point, 10-points line spacing, 2 points line before, justified, 0.81 cm hanging
